

The Benefits of Green Key Global

Tourism is evolving with guests and businesses increasingly looking to make sustainable choices, and Green Key Global is at the forefront of this evolution, ready to bring lodging facilities, convention centers, meeting, and event spaces up to speed and ready to receive a new generation of eco-conscious guests and partners.

Obtaining Green Key Global's Sustainability Certification is one of the best choices you will make to grow your business. Green Key Global will help you make changes as needed, both small and large, to close the gap on the climate crisis, while increasing profitability and driving new business to your property.

Together, we will showcase your sustainable efforts to guests, and help save our planet for future generations.

- ☐ Leverage your existing sustainability initiatives and corporate social responsibility activities to improve your eco-rating
- ☐ A comprehensive analysis measuring your facilities environmental performance which measures main areas of sustainability including:

Energy conservation

Community outreach

Water conservation

Building infrastructure

Solid waste management

Land use

Hazardous waste management

Environmental management

Indoor air quality

Global Recognition

- ☐ Receive recognition as an industry leader in sustainability, corporate and social responsibility
- ☐ Green Key Global Members are eligible for exclusive industry awards.
- ☐ Opportunity to be featured across Green Key Global channels by submitting a testimonial, success story, or participate in a case study

Marketing Support to Promote Your Efforts

- ☐ Access customized digital collateral to promote your sustainability efforts
- ☐ Showcase your certification with your Green Key Global Certificate or a personalized plaque
- ☐ Take advantage of carefully crafted social media content, website copy, and a press release template to promote your certification
- ☐ Display a Green Key Global banner in your email signature or on your website
- ☐ Promote guest facing collateral overviewing your property's sustainability efforts
- ☐ Share relevant articles and sustainability news with the Green Key Global community for further promotional opportunities across Green Key Global channels

Concierge Service

- ☐ Receive one-on-one support with direct access to Green Key Global's Member Services team
- ☐ Access tools and templates designed to help you improve your Eco-Rating

Harness Consumer Trust

- ☐ Utilize the power of the Green Key Global brand throughout your hotel, online, and in your marketing to help increase bookings from eco-conscious travelers and businesses
- ☐ Access to guest-facing materials and recommendations to help inform guests of your sustainability initiatives

Drive Green Business

- ☐ Booking trends continue to see an increase in sustainable bookings from travelers and businesses
- ☐ Attract environmentally conscious consumers and meeting planners, and leave an impact on your bottom line
- ☐ Corporate companies are now asking for third-party sustainability certification in their event RFP's and accommodation requests
- ☐ Green Key Global-certified members are automatically displayed on OTA partners such as Google, Booking.com, and many others, as well as on government procurement and RFP sites

Vetted Green Vendors

- ☐ Access to a directory of vetted Green Vendors that provide products and services to assist with your sustainable efforts and further demonstrate ROI
- ☐ Green Key Global members receive exclusive discounts and promotions with select vendors

Improve Fiscal Performance

- ☐ Reduce operational costs through recommended energy efficiency, waste reduction, and water conservation efforts

Benefit the Environment

- ☐ Directly align with all 17 of the Sustainable Development Goals as laid out by the United Nations
- ☐ Reduce energy consumption, lowering carbon emissions and contributing to climate action.
- ☐ Contribute to the global goal of achieving net-zero carbon emissions by 2050 by adopting sustainable practices and reducing the environmental impact of the hospitality industry

Thought Leadership

- ☐ Be the first to hear about sustainable initiatives through Green Key Global channels
- ☐ A monthly theme throughout social media and newsletters to help educate you on different areas of sustainability
- ☐ Education education through white papers, reports and benchmarking, webinars with sustainability experts, and valuable statistics and data, helping members stay informed about the crucial role their business plays in promoting sustainability

Future Developments

- ☐ Green Key Global continually updates and enhances its programs to stay aligned with the latest sustainability standards and best practices
